

RADD Needs Your Help!

RADD (Recreational Activities for the Developmentally Disabled) is a 501 (C) (3) non-profit organization which provides youth and adult programs that target socialization, community integration, independence, self-esteem, and daily living skills. In particular, we are dedicated to bringing physical fitness and "heart healthy" opportunities to the clients we serve.

One of our adult programs, Adult Recreation, is holding a "baking lite" cooking event on February 10th. As part of this event, clients will be making healthier versions of Valentine's Day Cookies and Homemade granola. We are in need of items to make this event a success and bring a much needed life skill opportunity to our disabled community members. I hope you will join us in our efforts.

We are seeking any or all of the following ingredients to offset program costs:

- | | | | |
|--------------------|-------------------|-------------------------|---------------------|
| -Sea salt | -Vanilla extract | -Dark chocolate | -Puffed rice cereal |
| -Non-stick | -Brown sugar, | -Uncooked quick oats | -Honey |
| -Cooking spray | -Pure maple syrup | -Extra virgin olive oil | -Slivered almonds |
| -Dried cranberries | -Raisins | -Cellophane Bags | -Cardstock |

It would be greatly appreciated if your organization is able to donate items to support our Cause!

I can be reached by phone or email with any questions you may have.

Sincerely,

Alyssa Ibarra
